MANAGING PROJECT RISK

5th May 2006 at the BLACK COUNTRY LIVING MUSEUM

COST : £175 Members ; £205 Non-Members

SPECIAL OFFER: £275 for non-members to include membership!

The Central Chapter of ISACA has organised a full day Training Event on **Managing Project Risk**. The presenters are **Tony Boulter** and **Ken Perry**. Both have extensive experience of the risks associated with IS/IT projects (see reverse for speaker profiles).

This Training Event will teach you the pitfalls of projects and how to reduce the risk of them happening to your organisation. **HOWEVER !** This Event will also be an invaluable introduction to risk management in its widest sense and you can apply the lessons and tips to all Audit areas.

We are even throwing in a 'fish and chip' lunch for the sensational price and the opportunity to network with like minded colleagues who want to improve their knowledge.

The Event will run from **09:30** (with registration and coffee at **09:00**) through to **16:00** allowing you time to get to and from the venue with ease, and / or see some of the Museum attractions.

If you want to come along **BE WARNED** places are restricted so complete details below and return to address at bottom of this notice **AS SOON AS POSSIBLE**.

I would like _____ (£175 Member) _____ (£205 Non-Member) and _____ (£275 including ISACA Membership) places on the **Managing Project Risk** course on 5th May 2006..

I enclose a cheque for _____ made payable to 'ISACA'.

Name _____ Organisation _____

Address _____

e-mail address _____

An invoice will be sent with confirmation of your places on the course.

Please send to: Amber Loki, KPMG, 2 Cornwall Street, Birmingham. B3 2DL

MANAGING PROJECT RISK

5th May 2006 at the BLACK COUNTRY LIVING MUSEUM

Profiles of speakers

Ken Perry

Ken has held a number of managerial posts over the last 25 years working in the private and public sector in Risk Management and IT Audit. Ken has undertaken numerous risk workshops with UK organisations and written several articles in relation to IT Risk Management and Project Management.

Tony Boulter

With over 25 years of business and IT experience, 15 of which at senior management level, in the private sector, Tony has had extensive experience of successfully managing risks and issues.

During this time, Tony has managed a number of major business change and continuity programmes, including a £26m Year 2000 IT Programme, the creation of new organisations (including involvement in mergers and demergers), and the production of a £200m tender.

Tony has recently started to provide consultancy services to the public sector and is currently developing a bespoke project management methodology for a well known city council in the West Midlands, in addition to managing a business process redesign programme in his spare time!

Tony is qualified in the PRINCE methodology, ISEB Project Management, NCC SSADM, and is on the International Register for Certified Auditors
