# CGEIT Revision Workshop

## 14 – 15 May 2009

The London Chapter is pleased to offer its specially designed revision workshop for ISACA's new CGEIT (Certified in the Governance of Enterprise IT) examination. This will be a two day non-residential course on Thursday to Friday 14 – 15 May 2009 at the premises of Quorum Training (5th Floor, Tavistock House, Tavistock Square, London, WC1H 9TW – nearest tube stations are Euston and Russell Square).

The workshop leader will be John Mitchell CISA CGEIT who is a past President of the London Chapter and a recipient of ISACA's prestigious John Kuyers' award for best conference contributor. John is a very experienced trainer who has delivered training courses and workshops all over the world.

### **The CGEIT Revision Workshop**

This intensive workshop provides an excellent opportunity to clarify the thought processes when working under pressure. The format is primarily a review of the task and knowledge requirements for each CGEIT domain, including test questions with a discussion on the 'correct' answer to each question. Some time is also allocated for examining the structure of a CGEIT question and discussing a generic approach to help identify the appropriate answer. This not only hones the delegates' examination technique, but also provides for lively discussion.

**It is emphasised that this is a revision course i.e. an opportunity to go over work already done prior to taking the exam; it is not a course of study. Delegates are expected to have previously studied and absorbed the subject matter described on the ISACA International web site.**

The actual CGEIT examination is scheduled for Saturday 13 June 2009 so delegates will have a month to address any weaknesses identified during the workshop.

### **CPE Credits**

The workshop is worth 15 hours continuous professional education credits for those who are CISA or CISM Certified.

**Minimum Numbers:** ISACA London Chapter reserves the right to determine the minimum number of applications required to ensure the viability of all courses without prejudice or liability for the payment of cancellation fees or expenses. The ISACA London Chapter reserves the right to cancel in the event that the minimum numbers are not met and will notify all participants of the decision one week before the commencement of the course and refund the participants all amounts paid.
